7.5 – Mr. Snyder said this explains the way rents are determined and what tenants are charged. They may have two choices – to pay the flat rent or the amount regarding 30 percent of their income. A rent could be \$2,400 under one scenario or \$1,000 and the tenant gets to choose which amount, all depending on their income and the 30 percent. The new program will be phased in over three years. Most tenants have a formula rent. Mr. Snyder will have to present it to tenants next year also. This is something that HUD says you must do. Executive Director Feorenzo said three people came in and they all opted for the flat rent and saved money.

7.2 - Mr. Snyder said Lorraine Trobiano had retired as of June 1st, 2014. The position of Administrative Assistant has been advertised, resumes are in the Commissioners' packages and ED Feorenzo has interviewed three so far. Commissioner Stuart asked who are on the Personnel Committee. Mr. Snyder said Chairman Stassi, Commissioner Casamenti and Commissioner D'Arminio.

MANAGEMENT AND UNFINISHED BUSINESS

ED Feorenzo spoke about Apartment 8A @ 65 First Street and smoking in the building. The tenant will be moving either July 1st or August 1st. The tenant did not want to go to Court regarding his constant smoking.

Someone a few months ago asked about more parking at Newman & Railroad. ED Feorenzo has been working on finding more parking spaces for that area. There is a big sidewalk that will be black topped at Railroad and 15-18 parking spots will be made available, making the total 138 parking spots. The parking spots on the streets do belong to Hackensack Housing Authority. He spoke with the Shade Tree Commission and asked about the trees. They can make islands around the trees and get more parking spots.

(At this point in the proceeding, Commissioner Tessaro had to leave the meeting – 6:20 P.M.)

Commissioner D'Arminio mentioned that when she worked the polls Election Day, a woman living @ Kansas Street spoke to her about her serious health issues and person living across from her is a heavy smoker. Mr. Feorenzo said the woman should call the office; they will check the apartment and send a letter, if warranted.

ED Feorenzo said on Wednesday, July 2nd, there will be a bar-b-que for seniors at 175 Railroad Avenue. Time is from noon to 2:00 P.M. and the Commissioners are invited to attend.

At 65 First Avenue, the roof antenna is 65 percent completed. The first check was collected on June 1st. The steel frame will be finished soon. The new generator for 65 First will be delivered in about four weeks.

Hackensack Police were not available this evening. The Type II Police Officer will be working until 6:00 PM. Full-time Police will be on duty from 6:00 PM to 2:00 AM. We pay \$170,000 for full time. Mr. Feorenzo got the police report today and they will be in attendance next month.
